## *Guided Care: A New Nurse-Physician Partnership in Chronic Care*

February, 2009

1. On page xv, please replace this text,

“In anticipation of an increasing demand for well-trained Guided Care nurses, the American Nurses Association’s American Nurses Credentialing Center (ANA /ANCC) has partnered with the Institute for Johns Hopkins Nursing to create an online course in Guided Care Nursing that will be available at [http://www.ijhn.jhmi.edu /contEd\\_3rdLevel\\_Class.asp?id=SpecialtyHome&numContEdID=5](http://www.ijhn.jhmi.edu /contEd_3rdLevel_Class.asp?id=SpecialtyHome&numContEdID=5) in April 2009. Upon completing this course, nurses will be eligible to take an online examination and, if successful, receive a Certificate in Guided Care Nursing from the ANCC.”

With this text,

“In anticipation of an increasing demand for well-trained Guided Care nurses, the Institute for Johns Hopkins Nursing ([www.ijhn.jhmi.edu](http://www.ijhn.jhmi.edu)) has created an online course in Guided Care Nursing. Upon completing this course, nurses will be eligible to take an online examination and, if successful, receive a Certificate in Guided Care Nursing from the American Nurses Association’s American Nurses Credentialing Center (ANCC).”

2. On page 147, please replace this text,

“Thus, nurses who believe they possess sufficient knowledge about a topic are given the option of answering the self-assessment questions associated with that module before taking the module. If their answers are correct, they need not take that module, but they are examined on the content of all 37 modules at the end of the entire course.”

With this text,

“Thus, nurses who believe they possess sufficient knowledge about a topic are given the option of not take the module that addresses that topic, but they are examined on the content of all 37 modules at the end of the entire course.”
