

Hispanic Health Care International

The Official Publication of the National Association of Hispanic Nurses

Hispanic Health Care International invites manuscripts of interest to health care providers, nurse clinicians, educators, and researchers. The purpose of the journal is to serve as a forum for the dissemination of information on practice, education, and research issues affecting the Hispanic/Latino population. Particularly welcome are manuscripts that are empirical, conceptual, reports of new instruments, and theoretical or methodological studies. Letters and comments on published articles are welcome.

Manuscripts will be acknowledged on receipt. Following preliminary review by the editors, they will be sent to members of the editorial board. *Hispanic Health Care International* is a refereed journal. Articles will be reviewed by members of the editorial review board, comprised of experts with back-grounds in a variety of clinical and functional areas. Each manuscript will be reviewed by at least two experts on the topic. On publication, each author will receive a copy of the journal in which his/her article appears. For manuscript submission guidelines see www.springerpub.com/hhci.

The following are guidelines for developing and submitting a manuscript. Manuscripts that do not conform to these guidelines will be returned to the author without review.

1. Authors should submit the manuscripts professionally prepared in accordance with the Publication Manual of the American Psychological Association, 6th edition, 2010. Instrument(s) may be included in an appendix, to be published at the discretion of the editors.
2. An abstract of approximately 125 words should be included in both English and Spanish.
3. Letters to the editor should be under 300 words. Those accepted for publication may be edited or abridged.
4. Manuscripts are expected to be limited to 20–25 pages in length including title page, abstract, references, tables, and figures. We will not be able to consider a manuscript longer than specified.
5. Double-space everything, including references, quotations, tables, and figures.
6. All figures must be submitted in camera-ready form. In addition, photos and line art figures should be sent as a tiff (300 ppi) or eps files.
7. Quotations of 300 words or more from one source require written permission from the copyright holder for reproduction. Adaptation of tables and figures also require reproduction approval from the copyrighted source. It is the author's responsibility to secure such permission, and a copy of the publisher's written permission must be provided to the journal immediately upon acceptance of the manuscript for publication.
8. Place authors' names, positions, titles, place of employment, and full contact information (address, phone, fax, and e-mail) on the cover page so that the manuscripts may be reviewed anonymously. There should be no more than 9 authors for each manuscript.
9. Submit manuscripts by e-mail to HHCI@miami.edu. If e-mail is unavailable, four copies of manuscripts with computer disks should be mailed to: Nena Peragallo, DrPH, RN, FAAN, Dean and Professor, School of Nursing and Health Studies, University of Miami, c/o HHCI, P.O. Box 248153, Coral Gables, FL 33124.

Copyright Agreement

The following dated agreement signed by all authors must accompany each manuscript submitted for publication:

The undersigned author(s) transfers all copyright ownership of the article entitled [title of article] to the Springer Publishing Company, LLC, in the event that the article is published in *Hispanic Health Care International*. This transfer of copyright includes, but is not limited to, the worldwide rights to any and all forms of publication now known or hereafter developed, including all forms of print and electronic media. The undersigned author(s) warrants and represents that the article is original, is not under consideration by another journal, has not been published previously, and contains no matter that is libelous, unlawful, or that infringes upon another copyright.
