

JOURNAL OF COGNITIVE EDUCATION AND PSYCHOLOGY

As Publisher, we usually provide services in addition to the printed version of the journal in which your paper is scheduled to appear. We can negotiate foreign and translation rights, authorize reproductions (including electronic), reprinting, and microfilm editions. Under the 1978 Copyright Law all such activities are controlled by the need to obtain written permission from the copyright holder for every individual article involved. It is therefore in the interest of maximum diffusion of information for the issue to be registered under a single copyright. For this reason, we ask that contributors transfer the copyright of their papers by signing the form below under A, B, or C, as appropriate and returning it to the journal editor.
