2020 CURRICULUM GUIDE
RN TO BSN

Educate tomorrow’s leaders with resources designed with a healthy blend of scholarly inquiry, population-based care, and trending issues that prepare students for leadership in a clinical setting. Packed with ancillaries to support both teaching and learning, these resources facilitate success across all foundational outcome competencies.

Let us do some of the heavy lifting to create an engaging classroom experience. Look for icons throughout the guide indicating the resources available with each textbook.

Providing Student Value Through Inclusive Access & Custom Solutions

We partner with various IA providers to further our mission of assisting students to obtain timely, cost-effective digital course resources. IA enables seamless access to content combined with analytics, giving faculty the ability to provide greater support for student success.

Support Our objective is to support you throughout your IA journey, whether your program is just beginning or well established.

Partnership We partner with you, your bookstore, student administration systems, and your LMS system provider to ensure a seamless solution.

Results The end result is to provide the content required, in the desired format, at the right time -- at highly competitive prices.
