Medical-Surgical Nursing Test Success
An Unfolding Case Study Review

Karen K. Gittings, DNP, MSN, RN, CCRN; Rhonda M. Brogdon, DNP, MSN, MBA, RN; Frances H. Cornelius, PhD, MSN, RN-BC, CNE;

Ruth A. Wittmann-Price, PhD, RN, CNS, CNE (Series Editor)

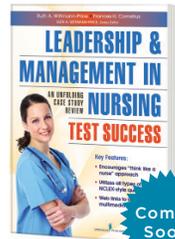

Coming Soon!

Key Features:

- Reviews medical-surgical nursing core content for course learning and NCLEX-RN® test success
- Uses a unique unfolding case study method to present medical-surgical concepts and promote active learning
- Develops problem-solving and critical thinking skills that help students “think like a nurse”
- Provides all types of NCLEX-style questions for exam preparation
- Offers eResources throughout the review for enhanced learning opportunities

This is a unique case study reference for students in the medical-surgical nursing core course, and a review and workbook for students about to embark on the NCLEX-RN exam. Unlike other reviews, the book embeds required medical-surgical nursing content into compelling, unfolding case studies—studies that evolve over time—in order to promote active learning and facilitate knowledge retention. These unfolding case studies closely mimic real-life situations in nursing and provide situational mental models that assist students with problem-solving and critical thinking techniques. The unfolding case study method also assists in the development of skills that are important for NCLEX-RN success in assessment, planning, intervention, and evaluation of patient care.

June, 2013 | 338 pp | Softcover | 9780826195760 | \$40.00

Leadership and Management in Nursing Test Success
An Unfolding Case Study Review

Ruth A. Wittmann-Price, PhD, RN, CNS, CNE (Series Editor); Frances H. Cornelius, PhD, MSN, RN-BC, CNE

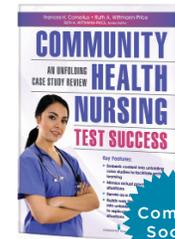

Coming Soon!

Key Features:

- Promotes active learning through use of unfolding case studies
- Eschews traditional repetitive question review for an intensified learning experience
- Provides answers conveniently located at the end of each chapter, and rationales for both correct AND incorrect answers
- Serves as a handy resource for clinical make-up assignments
- Includes more than 200 questions, including 150 multiple choice and 50 alternative NCLEX questions

Based on an innovative, active learning paradigm, this course review for the Leadership and Management Nursing Skills NCLEX-RN features the use of unfolding case studies to thoroughly engage students while helping them develop critical thinking and problem-solving skills. Unlike other content review books, this resource builds required content into compelling case scenarios that mimic situations in real-life practice. It features answers and rationales at the end of each chapter and includes 200 questions comprised of 150 multiple choice and 50 alternative NCLEX-RN style questions. The book also includes web links and resources that will keep students engaged and further reinforce realistic decision-making.

June, 2013 | 200 pp | Softcover | 9780826110381 | \$40.00

Community Health Nursing Test Success
An Unfolding Case Study Review

Ruth A. Wittmann-Price, PhD, RN, CNS, CNE (Series Editor); Frances H. Cornelius, PhD, MSN, RN-BC, CNE

Coming Soon!

Key Features:

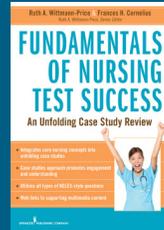

- Uses unfolding case studies to mimic actual practice situations
- Embeds content into unfolding case studies to facilitate active learning
- Uses mobile device resources to simulate a true clinical environment
- Serves as both a course review and an NCLEX-RN review
- Builds web links and resources into unfolding case studies to replicate realistic clinical situations

In great depth, this review features the spectrum of requisite community health nursing information with the inclusion of current Quality & Safety Education (QSEN) competencies. It covers patient-centered care, teamwork and collaboration, evidence-based practice, quality improvement, safety, and informatics. The review is enhanced by such mobile device resources as PubMed and AHRQ guidelines to simulate the method nurses currently use to access clinical information. These web links and resources are incorporated into the unfolding cases to further replicate realistic clinical situations in which the point-of-care/point-of-need access to information is used for decision support. *Community Health Nursing Test Success* will serve as both a course review and NCLEX-RN review with embedded links for further information. It includes over 200 NCLEX-style questions in a variety of formats.

May, 2013 | 320 pp | Softcover | 9780826110138 | \$40.00

NURSING TEST SUCCESS SERIES

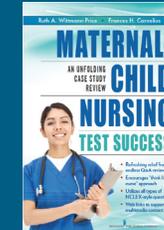

The innovative *Nursing Test Success Series* of content review books is based on a philosophy of ‘active learning,’ that is designed as a series of core course review books, but also as an aid to support development of student clinical thinking skills. The series utilizes the unfolding case study approach with questions embedded within the case study for the student to answer. Answers are found at the end of the chapters and include rationale for correct AND incorrect answers, providing immediate feedback for the student.
